KEY SKILLS

- C • Java • Python • JavaScript • HTML/CSS • Web Development • OOPs Concept • Data Structure & Algorithm • DBMS • SQL • Bootstrap • MySQL • Computer Engineering Concept • Operating System

INTERNSHIP

Open Source Contributor

Aug '21 – Nov'21

GirlScript Winter of Contributing (GWOC)

- Contributing to develop the Largest Multilingual Content Repository for various topics.
- My main focus of contribution constituted on the topic related to **Java, Data Science in Python and Frontend Web Development with HTML, CSS and JavaScript.**

PROJECTS

BingelInfo- (Personal Project)

- BingelInfo is a Movie and Series Application which provides the details of the search movie or series, with **overview and rating**. This application also displays the **trending movie and series** and we can filter out **based on genre** and sort out.
- Tech used- **EJS, JavaScript, CSS, Nodejs and TMDB API.**
- Deployed my Web application with the help of **Heroku.**

WEB DICTIONARY- (Personal Project)

- Made a **Web based English Dictionary** using **API** to find the correct meaning of the word and its correct implementation in sentences as well as with its correct pronunciation.
- Tech used- **HTML, CSS, JavaScript and Dictionary API.**
- Deployed my Web application with the help of **Netlify.**

Digital Media Service Website - (College Project)

- Build a **Digital Portfolio website** to attract individuals or company who need help with Digital Marketing.
- It is a **user friendly** and **responsive website** which helps user to browse different section like about the company, previous work done by the company and know detail information about different services and prices.
- If the user wants to contact the company, they can input their details in the Contact Us section and their input can be stored in the server side.
- Tech used- **HTML, CSS, MySQL and PHP.**

ACHIEVEMENTS

- 2nd Runner up in **Ambiora(2020)**, Tech Fest of NMIMS, Shirpur.

EXTRA CURRICULARS

- Member of **Each One, Save One** an NGO run by the students of NMIMS, Shirpur.
- Council Member of CSI- NMIMS, Shirpur (2020-21)
- Took part in NMMUN (Model United Nations)
